How did you hear about the board volunteer opportunity?

I, the undersigned, assure that the information provided in this application is true and complete to the best of my knowledge and that I am over 18 years of age. To the best of my knowledge, I do not know of any financial or business-related party or other concern that would create a conflict of interest with my participation as a volunteer board member.

Is there is a specific matter that may be a possible conflict of interest? If "yes", please explain:

I understand that I could be subject to a criminal offense record information check and I must attend a formal Unk's Place Inc. orientation. I also understand that any applicant holding a financial and/or business interest in Unk's Place Inc. may not be eligible for a board membership, and as a member of the board of directors, I must refrain from voting on any matter when it is determined or questioned as to whether a conflict of interest exists.

Please note, only candidates selected for an interview will be contacted. Thank you for your interest in serving on Unk's Place Inc. board.
