

Community Engagement Plan

If anyone in the surrounding community has concerns about Unk's Place staff, facilities, or operations, residents and/or guests, or would like to report other pertinent information to us, he or she should contact Cornelius Hagans, Executive Director at (937) 979-1699 or by email at executivedirector@unksplac.org. The Executive Director will acknowledge the person by phone within 48 hours and provide resolution within 14 days. If any community resident would like a copy of this policy, they may contact the facility and it will be provided to them free of charge.
